

VENDOR TRADE SHOW & LUNCH

Join us for our 2025 BCS Trade Show & Lunch in Salt Lake City

Join us for an exclusive showcase of cutting-edge innovations in the HVAC and BAS industry, featuring top manufacturers, groundbreaking software solutions, and the latest advancements in commercial, industrial, and residential markets.

Connect with over 200 industry professionals from across Utah, including engineers, building and property owners, HVAC and controls technicians, green energy solution providers, and facility managers from schools and universities.

Discover emerging trends, generate valuable sales leads, and establish strategic partnerships—all in one dynamic event designed to foster industry collaboration and growth.

Presentations, giveaways & more!
